DUALITY

Designed to connect the inside and outside of the home, Duality serves the entirety of spaces and is the epitome of the duality of nature. With three natural stone faces to choose from, it embodies humanity's desire to reconnect with the natural environment around them. It combines a timeless design with graphically modernized appeal and is the meeting place between the serenity of nature, and the comfort of home.

Create your escape, and embrace the harmony with Duality.

V1

UNIFORM APPEARANCE

Differences among pieces from the same production run are minimal.

V2

SLIGHT VARIATION

Clearly distinguishable differences in texture and/or pattern with similar colors.

V3

MODERATE VARIATION

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the amount of colors on each piece will vary significantly.

V4

SUBSTANTIAL VARIATION

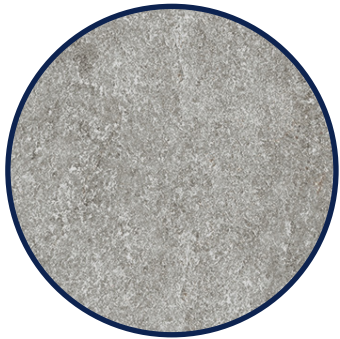

Random color differences from tile to tile, so that one tile may have totally different colors from that on other tiles. Thus, the final installation will be unique.

GEMSTONE

The Gemstone collection by Porcelain Solutions represents an interpretation of quartzite, among the strongest natural stones quarried from the earth. A visage that conveys the durability of nature in ways that defy description, Gemstone is designed for outdoor spaces that converse with the surrounding world.

The functional, yet elegant, Gemstone collection ties together your outdoor spaces with ease. From the garden to the swimming pool, our system offers a wide array of colors, surfaces and endless combinations.

ALFRESCO

Drawing inspiration from the Dolomites in Northeastern Italy, Alfresco, one of the many lines in our Outdoor collection, offers the classic beauty and variation of natural stone and the unparalleled durability of Porcelain. Alfresco is perfect for designers and consumers who admire the elegant look of naturally occurring stone like that of the Dolomites. The beautiful organic qualities of Alfresco were inspired by the mountains, rivers, and valleys of the Trentino region and create a natural effortless style in any outdoor setting. Calming earthy tones and textures make this line a versatile choice for a variety of outdoor installations. From clean whites to warm greys and browns, Alfresco embodies a natural warm feel that is unsurpassed. With the ability to mimic virtually any stone, our 3/4" pavers provide essentially endless possibilities.
